

# Combination 160

Art. no. 02985

Page 1 of 1

## Technology

- Solid zinc body with chrome plating for better corrosion resistance
- Shackle made of hardened steel
- 3- or 4-digit resettable combination: Set your own PIN
- Ergonomic front dials

## Operation and use

- The padlock ABUS Prestige Code 160 features a lock body in an exclusive high-polish chrome finish and shackle made from hardened steel. The padlock 160/40 is suited to secure doors, gates, cabinets, lockers, switchgears, etc. Especially practical is the handling without a key by means of a 3-digit number combination that can be set individually.

## Variants

- Sizes: 1 5/8", 1 31/32"
- Additional Shackle Lengths: 1 31/32"
